

# MEMBERS BOWLED OVER BY 2010 KICK-OFF PARTY

BY DALE REGNIER

To continue our new tradition of entertaining venues, ICRI chose the Rio Lanes at the Rio Hotel in Las Vegas, NV, for our fourth Annual Kick-Off Party held in conjunction with World of Concrete (WOC). The entire space was ours and 180 guests took us up on our invitation to socialize, bowl, and celebrate the coming year.

We had a fantastic DJ spinning some fun tunes, lots of great food, and dozens of members doing their best to knock down ten pins at a time. The first-ever Repair Bowl competition rewarded those brave souls for donning bowling shoes and getting into the game. Gift cards for high team score and high individual score were handed out, along with equal prizes for low team score and low individual score. We threw in some prizes for strikes, gutters, and best dressed to spread out the prizes even more.

Members, association leadership, and staff all took the opportunity before WOC to have a little fun and enjoy themselves as the photos here attest!

ICRI would like to say thank you to all our event sponsors! No event like this is possible without their support.
