

# ICRI KICKS OFF 2015 IN STYLE

BY DALE REGNIER

**F**or the association's 9th Annual Kick-Off Party, guests gathered at one of the newest hot spots in Las Vegas, NV: the stylish Sayers Club at the new SLS Hotel. The Sayers Club exudes a sense of rogue sophistication that is refined, yet raw. It is the ultimate lounge with tufted-leather sofas, industrial finishes, and stylish décor. ICRI had the pleasure of welcoming more than 250 members and guests to this year's event.

The evening included a variety of food items for guests to nibble on, an open bar, and the occasion to mix and mingle with other members, association leadership, and staff. The room itself was quite

comfortable and the street-level patio was a magnet for those craving some fresh air. Each year, ICRI strives to find a location that is comfortable and fits the size of our ever-growing list of attendees. This one hit the mark for many of the guests.

ICRI would like to extend a very special thanks to all of our generous event sponsors. No event is possible without their support and dedication. Thank you!
