

# ICRI 2011 CHAPTER AWARDS

BY DALE REGNIER

**T**he ICRI Chapter Awards Program recognizes our chapters that, through their operations, programs, and activities, display a dedication to excellence and a commitment to success. The submission forms are designed specifically to help each ICRI chapter—no matter the size—create its own unique road map for success. By reviewing a number of chapter activities and assessing all the areas of chapter operations, each chapter can determine areas in which it excels and those that might need more attention.

These awards are the for chapter activities during the 2011 calendar year. For the 2011 awards year, a very healthy number of chapters participated, taking the time to evaluate their efforts

and strengthen their missions. There are three awards: the Excellent Chapter Award, for chapters achieving 76 to 100 points; the Outstanding Chapter Award, for chapters garnering more than 100 points; and the Chapter of the Year Award, for the chapter that achieves the highest number of points. In addition, the ICRI Chapters Committee is now including a Most Improved Chapter Award for the chapter that submits an awards application for a second year in a row and shows the greatest percentage of improvement.

The awards were presented at the ICRI 2012 Spring Convention in Quebec City, QC, Canada. Chapters are the lifeblood of this organization, and ICRI is pleased and proud to share the winners with our *Concrete Repair Bulletin* readers.

## EXCELLENT CHAPTER AWARDS CONNECTICUT

Term President: Bill McGloin  
Submitted by: Peter Barlow

## GREATER CINCINNATI

Term President: Josh Hollis  
Submitted by: Josh Hollis
