

# ICRI 2013 CHAPTER AWARDS

BY DALE REGNIER

**T**he ICRI Chapter Awards Program recognizes our chapters that—through their operations, programs, and activities—display a dedication to excellence and a commitment to success. The submission forms are designed specifically to help each and every ICRI Chapter, no matter the size, create its own unique roadmap for success. Let's face it: no two chapters are exactly alike. By reviewing a number of chapter activities and assessing all areas of chapter operations, each chapter can determine areas in which it excels and those that might need a bit more attention.

These awards are for the Chapter activities during the 2013 calendar year. Many chapters took the time to evaluate their efforts and strengthen their

missions. There are three possible awards: the Excellent Chapter Award, for chapters achieving 76 to 100 points; the Outstanding Chapter Award, for chapters garnering more than 100 points; and the Chapter of the Year Award, for the chapter that achieves the highest number of points. In addition, the ICRI Chapters Committee has added a Most Improved Chapter Award for the chapter that submits an awards application for a second year in a row and shows the greatest percentage of improvement.

The awards were presented at the ICRI 2014 Spring Convention in Reno, NV. Chapters are the lifeblood of this organization, and ICRI is pleased and proud to share the winners with our *Concrete Repair Bulletin* readers.

## EXCELLENT CHAPTER AWARDS
