

ICRI 2013 PERSONAL AWARDS

ICRI DISTINGUISHED SERVICE AWARD

PETER CRAIG

Peter Craig has more than 40 years of experience as a concrete construction and repair specialist. He served as the President of ICRI in 1996 and became an ICRI Fellow in 2000. He participates in ASTM International and volunteers for several repair-related committees from the American Concrete Institute (ACI). Craig is an accomplished author and has been a guest speaker at more than 100 technical conferences in the past 15 years. He is being recognized with the Distinguished Service Award for his work at ICRI with the Concrete Slab Moisture Testing Certification Program. Craig has been an invaluable asset for the program's success as Subcommittee Chair and Course Instructor.

ICRI FELLOW

PAT WINKLER

Pat Winkler has been directly involved in the hydrodemolition and surface preparation industries for over 25 years. He is a past Chair of ICRI Committee 310, Surface Preparation, and was one of the principal authors of ICRI Technical Guideline No. 310.3, "Guide for the Preparation of Concrete Surfaces for Repair Using Hydrodemolition Methods." Winkler has also served on the ICRI Technical Activities Committee. He is a member of ACI and serves on ACI Committees E706, Concrete Repair Education, and 546, Repair of Concrete. Winkler received his BA in chemistry from Michigan State University, East Lansing, MI, and his MBA from Rutgers University, New Brunswick, NJ.
