

# ICRI KICKS OFF 2016

BY DALE REGNIER

For the association's 10th Annual Kick-Off Party, members and guests gathered at the Nine Fine Irishmen Pub in the New York, New York Hotel in Las Vegas. Inspired by a group of extraordinary Irishmen who led lives of great adventure, this is a pub of epic proportions that was built in Ireland and shipped to the heart of Las Vegas! ICRI had the pleasure of welcoming more than 250 members and guests to this year's event.

The evening included a variety of food items for guests to nibble on, an open bar, and a unique opportunity to mix and mingle with other members, association leadership and staff. The pub offered several rooms, an upstairs area, and a comfortable

patio for those brave enough to venture out in the chilly Las Vegas air.

ICRI extends a very special thanks to all of our generous event sponsors. No event is possible without their support and dedication.

*Thank you!*

#### **Erin Go Bragh Sponsors:**

- Kenseal Construction Products
